

Exporting is GREAT

UK Trade and Investment (UKTI), in partnership with a broad range of supporters across government, private sector and business member groups, has recently spearheaded the launch of the Exporting is GREAT campaign.

[Exporting is GREAT](#) [1] aims to inspire and support 100,000 additional UK exporters to sell their goods and services overseas by 2020. Its mission is to turn the UK into the world's greatest exporting nation, capturing the imagination of the public, boosting business confidence and national pride and empowering more UK companies to go out and succeed in global markets.

Every day in every country around the world, there is someone somewhere who wants or needs a UK product or service. The demand is out there, you could be too.
