

Politics Home

PoliticsHome's mission is simple: to provide the fastest and most comprehensive coverage of UK politics anywhere on the web. On top of the free website, PoliticsHome offers a range of paid services designed to save time and money and help you stay better informed about politics.

10,000 individual bits of media are filtered, edited and organised each day, including parliament, press releases, radio, TV, newspapers, websites, blogs and Twitter. PoliticsHome writes up to 100 wire stories a day on what politicians are saying on the airwaves, in parliament and in the media.
